

INFORMATION

Welcome to the Mount Clemens Ice Arena's Learn-to-Skate program! This program offers quality instruction on many comprehensive skill levels. Classes are designed for both the recreational skater and the skater looking to start their career in hockey or figure skating. Professional instructors will conduct classes in a positive atmosphere, making learning to skate a fun experience for skaters of all ages.

FORMAT

Learn-to-Skate sessions run for eight (8) weeks. Classes are held once per week.

1ST DAY PROCEDURE

Skaters should arrive approximately 15 minutes prior to the start of their scheduled class time. Skaters should check in at the Learn-to-Skate table. At this time, skaters will receive their nametags and class assignments.

ORIENTATION

There will be a brief orientation for the skaters and parents 10 minutes prior to their first class. General information will be discussed and instructors will be introduced. If you have any questions, they should be addressed at this time.

ATTIRE

Single blade hockey or figure skates are required. All sizes of hockey and figure skates are available to rent for only \$2.00. Helmets are required for all children 5 years of age and under (bicycle helmets are acceptable). Skaters should wear comfortable and warm clothing and it's important to wear gloves or mittens.

PRACTICE PASS

NEW CURRICULUM

After 10 years of great success with our Learn to Skate program, the Mount Clemens Ice Arena is proud to introduce a new and improved curriculum.

To ensure an easier transition for skaters seeking advancement into our Hockey and Figure Skating programs, we have revamped our curriculum to eliminate lesser used skills with skills most often used in these programs.

For those of you new to our program, you will start in Beginners 1 or Tots 1 and work through the levels until you decide to move into the Mount Clemens Hockey Association or Mount Clemens Figure Skating programs.

For our returning customers, the levels and names have changed. While they are similar to the levels before, your skater might need to be moved around a little during the first week to ensure they learn all the new skills. If you are unsure what level to sign your skater up for, then please feel free to ask someone in the office.

Otherwise, just sign up for the same number class that you were last enrolled in.

Example:
Basic 1 would translate into Beginners 1

**Classes run from
September 1 - October 23rd**

**Next session will begin on
October 27th**

Every spring the Mount Clemens Ice Arena hosts an annual spring ice show. Skaters from our Learn to Skate program are invited to participate. Show info comes out in late October. This years show will take place in April 2011.
